

# WorkReady Manufacturing LUCAS COUNTY Community Orientation

Are *you* ready to work in manufacturing?

Automotive manufacturing companies will be bringing hundreds of new jobs to our area this year and others are likely to follow. Are you ready to show them you have what it takes to do the job?

Hear directly from the employers what they expect, what skills you will need and how you can qualify for these good-paying manufacturing jobs.

Wednesday, January 18  
6 to 7 PM
