

COVID-19 Preparedness Guide

How to get your household ready

Prepare

Groceries

Have enough food to last 10-14 days.

Medication

Have some cold & flu medicine on hand.

Cleaning Supplies

Have disinfectants ready to sanitize surfaces.

Household Plan

Visit [ready.gov](https://www.ready.gov) to make a plan for your family.

Unemployment Assistance

Available immediately to any Ohioan affected by layoffs, shutdowns, or quarantines.

unemployment.ohio.gov

Recover

Stay Home

Stay in isolation once symptoms begin, ideally in a separate bedroom.

Treat Like Flu

Drink lots of water, rest, and treat symptoms with cold medicine.

Call Ahead

If you need a doctor, please call first and tell them you may have COVID-19.
