TLCHD and Toledo Fire and Rescue are once again offering this free and convenient event for local food truck operators to get their fire inspections, food license renewals, permits, and other financial essentials in one place, while only taking their mobile unit out once.

Mobile food truck owners must sign up prior to the event to reserve a spot. They can do so by calling the TLCHD at (419) 213-4100 option #4 and providing the name of the truck, operator, contact phone number, desired date to attend, and information on any changes made to the mobile menu or layout since last inspection.

PLEASE NOTE: While there is no fee to attend the event, operators will be expected to pay required fees for inspections and permits upon receiving them on site. If operators cannot attend, they can contact their food inspector to schedule their renewal inspection.
