August 27, 2024

Toledo-Lucas County Health Department Building Closed Due to Excessive Heat

Due to the exceptionally high temperatures, we have made the difficult decision to temporarily close the Health Department building at 635 N. Erie St., Toledo to ensure the safety and well-being of everyone.

The Health Department's air conditioning system isn't functioning efficiently and is unable to adequately cool during high temperatures, which affects the comfort and safety of everyone using the facility.

All clinical appointments for Reproductive Health and WIC at the downtown location will be rescheduled.

The Health Department will resume normal operations on Wednesday, August 28. In the meantime, we encourage everyone to take necessary precautions to stay safe, including staying hydrated, avoiding strenuous activities, and seeking air-conditioned environments.

For updates on the reopening and other related information, please visit our website at www.lucascountyhealth.com or follow us on [Facebook](https://www.facebook.com/lucascountyhealth).
