**Lucas County Regional Board of Health Announces
Monthly Meetings Across Jurisdictions**

The Lucas County Regional Board of Health is pleased to announce that it will be holding monthly board meetings across various jurisdictions within Lucas County. These meetings are part of our ongoing commitment to ensure transparency, community engagement, and proactive public health initiatives.

The Board of Health meetings provide an essential platform for residents to receive updates on current health issues, ongoing projects, and future plans aimed at improving public health and safety. The Board of Health will convene in different locations throughout Lucas County to ensure that all residents have the opportunity to attend and participate in discussions that impact their health and well-being. Each meeting will address pressing health concerns, provide updates on ongoing initiatives, and offer a platform for community members to voice their questions and suggestions.

"We believe that bringing these meetings to different parts of the county will foster better communication and collaboration with our residents," said Karim Baroudi, Health Commissioner "Our goal is to make public health information and resources more accessible and to ensure that every community within Lucas County feels heard and supported."

The schedule for the upcoming meetings is as follows:

August 22nd, 8:45 a.m., City of Sylvania

September 26, 8:45 a.m., City of Waterville

October 24, 8:45 a.m., Sylvania Township
