- 211 is a national effort, not just a Toledo resource.
- Services: connection to housing, food, clothes, holiday baskets, tax appointments, diapers, baby formula, veteran services, etc. They have a translation line for non-English speakers.
- Agencies that provide services should reach out as needed to update their info as it changes to ensure callers receive correct info.
- United Way can market services on an agency's behalf and are always looking to promote more sober living options.
- 211 Staff are eager to learn more about SUD resources available and how to better communicate with folks who are struggling when they have encounters.
- 211 staff meet on the 4th Thursday of month 4 – 6pm and they are interested in collaboration and trainings in mental health / SUD. Calendar open for 2025.
